Level-1 · CEN 08/2024 · General Awareness — Topic-wise

English

91 Chapters · 2017 Questions · Official Answer Key

### About this Compilation

Every **General Awareness** question asked across all shifts of the **RRB Group D (Level-1) 2024** examination (CEN 08/2024), regrouped by **chapter** instead of by shift, so you can revise one topic end to end. The correct option is marked as per the official answer key.

**3 duplicate questions removed.** RRB repeated these word-for-word across different shifts. They appear once here, so a chapter never prints the same question twice - the shift-wise and section-wise books still carry every occurrence.

### How to use

- Use the **Index** to jump to any chapter (clickable).
- Within a chapter, questions on the same idea are placed together.
- The correct answer is highlighted in green with a tick.
- The same paper is also available shift-wise and section-wise at [rank.qmaths.in](http://rank.qmaths.in).
